

Beanstalk Reading 321

Our trained reading helpers provide consistent one-to-one support in two 30-minute sessions a week, for a full school year. Each reading helper supports three children.

Our impact data shows that Reading 321 is most effective with children in KS1 or lower KS2 who are behind or insecure with their reading; with 75% of KS1 children showing improvements in their reading ability.

Beanstalk Reading 321 is £214 per child per year.

Our trained reading helpers bring with them up to 40 brilliant children's books, representing a range of genres which will enthrall even the most reluctant reader.
