

1000 Headteachers to Downing Street

Save the Date: 28 September 2018

11.00 – gather at Parliament Square, 12.00 – deliver petition to 11 Downing Street

With a collective and entirely reasonable voice we will urge the Government to improve matters both now and in the future to secure:

- Fair and sufficient funding for all schools
- Much improved teacher supply and retention
- Enhanced social mobility for the most vulnerable and disadvantaged students that we serve

Don't leave it to somebody else - be one of the thousand!
