

ROCKET FUND

Fuelling imagination in the classroom

What tech would you buy if budget wasn't an issue?

Try Rocket Fund, the crowdfunding platform for schools.

We help schools fundraise for new technology,
by connecting with businesses & their community.

Back to School Boosts!
£100 for the first 50 projects
launched this half-term (autumn 2018)

Get involved by creating a project:
www.rocket.fund

Rocket Fund is brought to you by Nesta, the UK's innovation foundation.
We're a registered charity in England and Wales 1144091 and Scotland SC042833.
Our main address is: 58 Victoria Embankment, London, EC4Y 0DS.

EXAMPLE PROJECTS

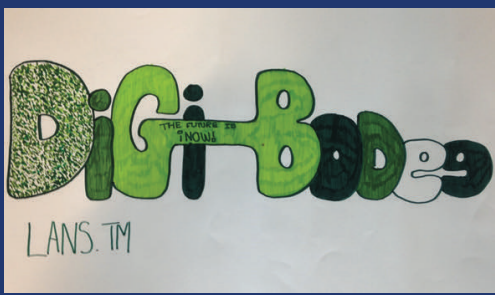

Newington Green Primary School (London)

Raised £1,523 for VR headsets, enabling students to experience places beyond their normal routine.

Forfar Academy (Scotland)

Raised £1,544 to set up a “Drone Academy” to teach coding and computational thinking.

Albion Academy (Manchester)

Raised £654 to buy a laptop and web development software, enabling students to create a new healthcare app.

“It was great to have the freedom to buy what we wanted”
- Ms. Williams

“I absolutely loved it! Everyone should use it.”
- Ms. Shah
