

ASSESSMENT, OBSERVATION AND MODERATION IN EARLY YEARS

An introduction to assessment in Early Years. Making observations of children's learning/development and an opportunity to discuss moderation of judgements.

The aims of the session are to enable teachers to:

- Familiarize/re-engage with current assessment requirements in Early Years.
- Develop practice in making accurate and meaningful judgements on children's learning.
- Provide opportunities for moderation of judgements.

Participants will be confident in what assessment looks like in Early Years. They will have increased confidence to carry out meaningful observations and make informed accurate judgements on children's learning.

Cost £60
