Do you positively create, build and deliver opportunities to enrich the life chances, aspirations and well-being of children and young people in Ipswich?

We'd like to invite you to join us for breakfast and coffee to discuss the Ipswich Local Cultural Education Partnership (LCEP), an emerging group of individuals from organisations representing a variety of arts, cultural and education sectors. It is open to anyone working with children and young people in and around Ipswich.

More details to follow. Please register your interest online at ipswichlcep.eventbrite.co.uk or contact rachel@nnfestival.org.uk for more information.
