<p>Maths talk for Reasoning & Problem Solving</p>	<p>Using Maths talk to develop fluency and conceptual understanding. How we can build in daily reasoning through using simple structures to promote dialogue for deeper learning. Cost £80</p>	<p><i>Stowmarket 15/11/18 1.30-4.00pm Lowestoft 22/11/18 1.30-4.00pm Haverhill 29/11/18 1.30-4.00pm (£65 Unity Trust Schools)</i></p>

All our courses are available for delivery in school as twilights or PD Days.

We also provide support packages based upon the individual needs of each school. These cost effective solutions include focused support for SLT as well as inspiring INSET for staff—call or email for details.

Packages can be per term or over the course of a year.

Chris Gallagher is a warm and inspiring Primary Maths Consultant and **Tedx** speaker who provides INSET and guidance to Primary Schools nationally. His supportive yet challenging outlook is based upon research and proven pedagogy found in top performing countries.
