

OUTSTANDING TEACHING

A practical look at what makes outstanding teaching and learning.

Includes a range of strategies and resources as well as techniques to use in your own setting to help you on your journey to outstanding.

This session is suitable for teachers in the early years of teaching, or for more experienced teachers who would like to re-fresh and re-engage with the features of excellent practice.

This twilight aims to enable participants to:

- ✓ Know and understand the key elements of quality teaching – such as getting the children engaged through using effective starts to lessons, AfL strategies that really work and enhanced use of questioning.
- ✓ Share ideas and strategies for excellent practice.
- ✓ Reflect on their own practice and learn from others' experiences

Date: Thurs 15th November 2018 4.30-6.30pm
