“More money than ever before...”

Join us and ensure that our collective and ‘relentlessly reasonable’ voice is heard loud and clear ahead of the Comprehensive Spending Review:

- Adequate funding for every school
- Sufficient resources to support every child, especially disadvantaged and SEND pupils
- Reversal of cuts
- Fully funded provision when schools cover social care and police services

One year on... Last year there were 2000 Heads, this time we'll make it 5000!

11.00 – gather at Parliament Square, **12.00** – deliver joint letter to Downing Street

#stillnotlistening
