A wealth of **professional  
expertise**, grounded in  
**evidence-informed practices**  
and supplemented by  
**research**, allows us to **move  
practice forward** through  
**reflection, consolidation** and  
**enrichment** to deliver  
**significant impact**.

## >>>>> Newly Qualified Teachers' Series

### >>>>> Previous Evaluation / Case-studies

- Very engaging, some good experiences to use going forward. – NQT Day 1
- Very useful day, learnt lots about how to develop reasoning which has proven tricky so far. – NQT Day 2
- Best training so far in NQT year, all relevant, I learnt so much. – NQT Day 2
- Highly interactive and enjoyable session encouraged to think long term, professionally and personally. – NQT Day 4

### >>>>> Course overview

As series of day courses for those beginning their career

- Day 1 – **Behaviour including Managing Relationships** - Practical techniques and approaches to positive behaviour management in class, and to help develop positive relationships with parents in your first professional year.
- Day 2 – **Maths** - Exploring ways to create a culture of challenge and embedding reasoning and problem solving in daily lessons.
- Day 3 – **English with The Phonics Fairy** - Feeling a little nervous about teaching letters and sounds when you have such varying reading abilities within your class? You need not fear as the Phonic Fairy is here! Supported by 64 incredible writers Michelle will support you to deliver irresistible phonic lessons meeting the needs of all children.
- Day 4 – **Foundation Subjects and Career Progression** – Learn how to plan your lessons in an across curriculum way and career planning for both the long and short term.
- Day 5 – **Review & Commend** - a chance to share and celebrate your achievements with fellow colleagues, receive feedback and discuss your concerns in a friendly and welcoming environment.

### >>>>> Intended Impact

This course aims to ensure you have everything you need to know to get you successfully through your first year of teaching.
